#### KAPITI EXPRESSWAY WAIKANAE TO PEKA PEKA 30 NOVEMBER

A small party of four met at the Paraparaumu interchange on the Kapiti Express way. A great day for a tramp, actually a walk up the cycle / walkway to Pekapeka.

After leaving our cars we crossed the road twice as we walked north. We saw very little sign of other walkers or cyclists, and the only sign of wildlife was a few rabbits. As the morning wore on the temperature rose so when lunchtime arrived we settled down under a small patch of willow trees, had a bite to eat then returned to our cars. A short but pleasant walk in a new area. We were impressed with the engineering and the roadside planting of native species for the expressway.

Trippers were Ed and Juliet, Barry and Lynne.
